Latimer! She will be representing Kulshan at the State Geography Bee in Tacoma on April 1st.

Whatcom Middle School will open fall 2011!

On Feb. 8, 2011 Bellingham School District Superintendent, Dr. Greg Baker, announced that Whatcom Middle School will reopen this fall – one year earlier than projected.

A significant amount of work will be occurring between now and September to prepare for the reopening and transition of students and staff. Updated information about Whatcom Middle School will continue to be posted at <http://bellingshamschools.org/whatcom-middle-school-update>. Community members can also find the presentation shared with Whatcom families at the Feb. 8th meeting on that same site.

From the Office

If your student will be riding a bus home from school that is not their regular bus or stop, we require a written note from the parent/guardian. For your child's safety, the note should include the bus number and stop the student will be using.

If your student will be leaving school early for any reason, please send them with a note in the morning. The student gives the note to the office before school and exchanges it for a pass to leave class at the specified time. This allows students to be ready when their parent/guardian arrives to pick them up and also lessens classroom disruptions.

New Phone System

We have a new phone system at Kulshan. When you call the school at 676-4886 you will be given options to connect to attendance, counselors, athletics, main office, etc. You may choose option 7 then enter the extension of a teacher or staff person and be directly connected. You can find extension numbers on the district website:

<http://bellingshamschools.org/directory/all> or stop by the office and pick up a listing.

Sign Up to Play Bellingham Youth Baseball – For Ages 13-14.

Baseball sign-ups are at Inside Pitch (1750 Moore St.) through Saturday March 5th.
